ROUND VALLEY, MOON LAKE, ALDER PLATS, CYNTHIA AND BUCK CREEK AREAS.

"THE ONLY COMPLETE SALES MEDIUM FOR THE PEMBINA FIELD AREAS".

"EVERYBODY READS THE ADVERTISER"

GAS BEING PIPED TO WABAMUN PLANT.

Work in laying the 10" gas pipeline has already been started in bringing in of natural gas for the Calgary Power Steam Plant at Lake Wabamun. Suppliers for the gas utility is Midwestern Industrial Gas Company, Limited. Source of the gas supply is the Alexander Indian Reservation Gas Field, near Lac LaPoudre, about 33 miles from Wabamun. After supplying the Calgary Power plant at Wabamun with natural gas, the industrial line continues on west to Hinton to supply that new and fast-growing townsite with natural gas. At some future time the industrial gas pipeline may be declared a common carrier, and as such, would be able to supply districts along its route with natural gas. The route of the pipeline is more or less parallel with Highway #16.

The first stage of the Calgary Power plant at Wabamun is practically complete, with the arrival from Metropolitan-Vickers of England of the huge generating unit which will supply electric power for the utility company. Installation of the giant unit is now underway.

When finally installed and operating, the first unit will produce some 88,000 horse-power energy. Initially the plant and generating machinery was slated to cost around 8 millions of dollars, but this rapidly expanding work soon has already necessitated an increase in the generator capacity, and a second, and exact duplicate of the first unit has already been ordered from the large English firm for installation next year, with a final completion date set for sometime in 1958. The first unit will be in operation within a matter of months, as soon as the machinery has been set into place. Capacity of the plant upon completion of the second unit will be some 176,000 horsepower, which, con-

WABAMUN PLANT. (Cont.)

verted into energy, is a tremendous power supply.

In this area, survey staking for the continuation of the line for miles of the line from where it now ends, on to Lodgepole is in progress, as is also the surveys for the distribution within the hamlet site, of electric power, and about a month's time should see the supplying of Calgary Power to Lodgepole.

D.V. ROTARY HAS FIRST ANNIVERSARY.

Rotarians of Drayton Valley, with their ladies, assembled for a fine dinner the evening of Wednesday, June 27th, which night is a regular weekly meeting night for the service club group. The dinner was served by the ladies of the United Church W.A., and was noteworthy.

The group has been functioning exactly a year, since it received its charter from the hand of the district Governor, Glen Pascoe, of Calgary, in the presence of a large gathering from many Rotary Clubs, the last day of June, 1955.

At the Anniversary celebration was also marked the time in which new officers for the ensuing year take over their offices. Elmer Johnson, Charter President of the group, becomes a Past President, and President Mel Kroen assumed the chair. Odd Sund continues as Secretary for the club for the next year.

Spencer Club for the Drayton Valley Rotary Club was the Edmonton Main Club and that group sent out representatives to the local group, one of whom, Elmer Kaper, who is in the printing business in Edmonton, was guest speaker for the occasion.

THE OBSERVATION TOWER.

Apparently Bill Anderson let his brother Percy beat him to the altar, as Percy got himself all hitched up double, on June 9th. Percy is working for an oil supply house in Red Deer. While he was in Drayton Valley he was employed with one of our Drayton Valley Supply houses.

Rev. Richard Schieck left recently to attend the conference of the Church of God group, at the group's headquarters, Anderson, Indiana. Rev. Schieck was recently ordained in an ordination ceremony in the Church of God in Drayton Valley.

Oecil Wall, of Rocky Rapids, oldtimer of this district, is recovering from a recent severe attack of pneumonia.

Adrian Meier and Joe Fitzgerald took the U.S.A. flight out of Edmonton to Fort Smith, N.W.T. recently, for a few days visit to the capital of the Territories. It is said that a major building been in progress, in that area, with Fort Smith, Fort McMurray and the adjoining town of Watrous, growing rapidly. Mr. Fitzgerald has business interests in Fort Smith.

Manager for Drayton Valleys' newest oil field supply house, Dominion Oilfield Supply Co. is Mrs. McEneaney. Mrs. came here from Camrose, three of his four children are in school, here in Drayton Valley, where they are making their home. When Dominion Supply moved into this field it put practically all the major oil supply houses in Drayton Valley. Another major who has been operating in here ever since the field started is now getting ready to build a large office supply house, with Oil Well Supply getting their plans ready.

Helping her daddy at the meat market in L. & L. Grocery Store for the holidays is Ruth Ambrose, who has been going to school in Prairie Bible Institute High School at Three Hills. L. & L. is in Wheat Grove.

A mighty happy man was John Tensich of the Drayton Valley Hotel Barbershop the other night as he told us that, after 20 years of effort, trying to get his wife into this country from Yugo-Slavia he had just gotten a wire that she was flying from Paris, and would land in Edmonton Airport at 7 p.m. the next evening, which would be June 26th.

As soon as possible now, John plans on bringing their daughter, Maria, named after her mother, her husband, John Vranosnak, and their two young children

OBSERVATION TOWER. (Cont.)

ever more, too. A son of the Tensichs was killed in the Yugo-Slav army in 1945. Since coming here in 1936 Mr. Tensich had been back home three times, in 1945, 1945, and 1954.

Howard Pickup, with his wife, and their two small sons, returned recently from a much-needed three-week vacation, which was spent pleasantly in visiting around, and in failing to punch the tin clock. Howard is the genial owner of the Rexall Drugstore in Drayton Valley.

From away up in Uranium City, Sask. Gus and Iris Wilchinski, with their small son, flew down to visit Mrs. Wilchinski's brother, Keith Peterson, manager for Perforating Guns for this area. As the name suggests, Uranium City has some claim to fame. Mr. Wilchinski is a mining contractor there.

Drayton Valleys' population got bigger by one on June 8th, when Douglas Lawrence Hetchkins arrived in Royal Alexandra Hospital. Doug weighed in at 7 lbs. 1 oz. His mummy and pappy are Ray and Bea Hetchkins. Bea works for T & M Ratchels Drillers.

Long-time oil-hands Jim and Vivian Merin decided the other day that it was time to retire for a while, so they sold out their T & M Ratchels Drilling Co. to other interests and plan on taking off Statistic soon. They hope to take in the big Redox at Cody, Wyoming, after which Jim claims that since he is eight years behind in his fishing, he aims to try and catch up a little. They expect to get down into a certain section of Old Mexico that is reported to be a fine vacation spot.

On June 14th, in the Royal Alexandra Hospital was Eunice Allenbrand arrived to bless the home of George and Rose Allenbrand.

Sloane Steek, recently of LaCrosse, now of Drayton Valley, came over to help T. Smith in Wilmar Feed Store. Young Sloane had worked for Tom before when he was in the grocery business in that city.

John and Karla Walters, managers of the U.S.A. Theatre, returned recently from a three-weeks trip down south. They visited Reno, Nevada, where they played the "one-act bandits" comedy known as slot machines, coming out about even at the deal. Salt Lake City and Sacramento were also on the itinerary.

THE WHITE BULL

Specializing in
"STEAKS & CHOPS" cooked
with INFRA RAY

Waffles * Fish & CHIPS * SALADS

OUR AIM is good food
WATCH FOR OUR OPENING

IN PLACE OF MARSHALL'S BAKERY A NEW AND MODERN, AIR-CONDITIONED SHORT ORDER EATING ESTABLISHMENT WILL BE OPENED, JULY 9th., 1956.

THIS NEW BUSINESS WILL BE CALLED "THE WHITE BULL"; IT WILL SPECIALIZE IN "STEAKS", COMPLETE WITH ALL THE TRIMMINGS. THE STEAKS WILL BE DISPLAYED IN A REFRIGERATED CASE FOR THE BENEFIT OF THE CUSTOMER, WHO CAN THEN SELECT THEIR STEAK AND HAVE IT COOKED IN THE SPECIAL INFRA-RAY GRILL, WHICH DOES THE JOB TO LUSCIOUS PERFECTION IN THREE MINUTES.

ANOTHER SPECIALTY WILL BE CRISP, GOLDEN-BROWN WAFFLES. TASTY FISH AND CHIPS MAY BE HAD, AND CUSTOMERS WILL BE AVAILABLE TO TAKE SOME HOME TO THE FAMILY.

CHEF LOUIS ROBIN, FORMERLY OF THE DRAYTON VALLEY HOTEL COFFEE SHOP, WILL BE THERE TO PREPARE AND ASSURE YOU OF GOOD QUALITY FOOD.

BREAKFAST WILL BE SERVED, STARTING AT 6 a.m.

CURLERS MIDSUMMER BONSPIEL.

At the Midsummer Bonspiel, Canada's Annual Event for top curlers, to be held in Helena, B.C. starting July 3th. Drayton Valley will be well represented in a rink going from here to take in the Bonspiel.

The rink from here is composed of Adrian Meier, Spike McLean, Pete Morris, and Jim Warren. All with the exception of Morris, who is an R.C.M.P. officer in Redwater, are local men.

The Bonspiel will close the following Saturday with the crowning of the Queen and a wind-up dance. As well as with curling the days between will be also filled in with a varied program of entertainment for the visiting curlers, which covers a representation of curlers from B.C. Alberta, Saskatchewan, Manitoba, with a rink of two usually coming up from across the line in the States.

Our curlers will be doing some advertising for this area, as all will wear matching sweaters, with large Drayton Valley dreads.

STEAK HOUSE OPENS SOON.

This area will soon have yet another excellent eating establishment when a brand new "steak house" the "White Bull" opens where Marshalls Bakery and Coffee Bar formerly was located.

Owner of the new establishment is Laurence Marshall, who came here from Norder to open up the Coffee Shop in the Hotel, when it opened up around the first of the year, in 1955, after a long time of frustrating delays owing to weather conditions, and lack of material and so on.

When Mr. Marshall opened up is the hotel he brought Louis Robin in as chef. Louis had served as chef, among other places, in such swank eating places as the Petroleum Club in Calgary, and the Sunshine Lodge in Banff, which is rated as the best ski resort in Western Canada.

Seating some 43 persons, the restaurant will have 15 tables, and 7 booths. The cooking will be done in front, where a stainless steel backbar will be seen. At the entrance to the air-conditioned room a waiting area will be arranged, for the convenience of those customers who may have to wait a short while. Color scheme for the fixtures will be mahogany counter tops, with cream leatherette seats.

In both French and English Louis said he would reserve a steak for every corner of the column, cooked just the way they like it, and at a price they can afford to pay.

ROUND VALLEY NEWS.

June 13th. Frances Pastushuk reached the age of 16, and received birthday greetings from her family and friends.

Mr and Mrs Diduk were recent visitors the Ted Pastushuks. The Diduks have moved to Lake Isle where they will now make their home.

Recent week-end visitors to the City were Steve and Anne Pastushuk.

Carpenter Ted Pastushuk was in Lake Isle District for a few days recently, building a house.

Rev. and Mrs. Alex Platcha went over to Benito, Manitoba a few weeks ago to attend the funeral of Mr. Platcha's father. They are still in Benito.

MOON LAKE MAN HURT IN EXPLOSION.

While engaged in changing motors in a "Ford" recently, Art. Kes, of Kes Bros. of Moon Lake was very seriously burned by exploding gasoline.

Apparently Mr. Kes. was on top of the car at the time the explosion occurred, and was thrown a considerable distance into the air, suffering a cut on the head from the fall, as well as first and second degree burns about the face, arms, hands and legs. It is said that when he landed, with clothing on fire, these nearly extinguished the flames as rapidly as possible and he was then rushed to Drayton Valley where Dr. Brooks treated him for burns and shock before sending him by Drayton Valley Ambulance to the Royal Alexandra Hospital.

FORMER DRAYTON VALLEY GIRL WED.

A former resident of this area, Miss Eileen Hallyer, daughter of Mr and Mrs C.O. Hallyer, who once lived one mile west of Drayton Valley, was recently married in North Hill United Church, in Calgary.

Miss Hallyer, who is niece to Helmer Rasmussen, of Drayton Valley, was united in marriage to P.O. John S. Lauriesten. Mr Rasmussen journeyed to Calgary to be present at the wedding. At the reception held in the Frontier Room of the Stampeder Hotel in Calgary, a toast was proposed by H.F. Mitchell, who was also a former resident of Drayton Valley, living about 2 miles north west of town.

PARKING CITATIONS ISSUED.

Disregarding posted signs which direct place and direction of parking, a large number of motorists were issued tickets for illegal parking recently. It is pointed out that there is a large public parking lot near the town.

CORDING-STORDALSVOLL NUPTIALS

NUPTIALS (Cont.)

St. Luke's Anglican Church at Mayerthorpe was the scene of a pretty wedding at high noon on Monday, July second, when Margaret Elizabeth, only daughter of Mr. and Mrs. Stanley Gering of Blue Ridge, was united in marriage with Mr. Leif Albert Stordalsvoll of Pembina.

The Rev. Leslie Gerness, pastor of All Saints' at Drayton Valley, was present and offered best wishes in his own inimitable manner. Mrs. Leonard LaCasse, accompanied by Mrs. Simpson, entertained with a vocal solo.

The Rev. Thurston, rector of St. Luke's, performed the nuptial ceremony. The altar bouquets were composed of white baby chrysanthemums and white carnations.

Out of town guests included Mr. and Mrs. William Holmes, of Consort; Mrs. Wilde, of Spruce Grove; Mr. and Mrs. H.T. Deby, of Drayton Valley; and Mrs. Wischert, Mr. Mattsen, Mr. Grotte, Mr. and Mrs. Freeman Hill, all of Pembina.

For her wedding the bride chose a cocktail length gown of pink crystallette, fashioned on princess lines, with matching jacket and accessories. Her bouquet was of pink rosebuds and white carnations. Her only ornament was the greens gift, a handsome necklace.

After a West Coast honeymoon, Mr. and Mrs. Stordalsvoll will be at home to their friends on their farm at Pembina.

LINEMAN BURNED BY HIGH VOLTAGE.

Another case of near-electrocution, occurred in this area recently when William Hays, of Hay Construction Co., of Wetaskiwin, was severely burned by high voltage lines while engaged in stringing a new telephone line in Violet Grove.

The accident occurred about 3 p.m. on Thursday, June 28th. The linemen were engaged in stringing telephone lines and replacing old poles in Violet Grove and preparing to string a new line out to Lodgepole at the time of the accident.

Apparently Mr. Hays had lifted the wire from the old telephone pole to the new one when it came into contact with high voltage lines, carrying 22,000 volts. Calgary Power workmen were in the vicinity at the time of the accident and assisted in bringing the unconscious man down from the pole, where he was hanging suspended in his safety belt, and with others who were also present at the scene, administering artificial respiration to the badly burned man, until the doctor arrived.
